# THE MISSION

---

The mission of the Oklahoma Mobility Institute (OMI) is to help facilitate an unparalleled transportation ecosystem with advanced mobility connectivity through shared resources and interorganizational partnerships. We help support public transportation providers with resources to launch advanced mobility initiatives by utilizing our network of transit experts to seek funding opportunities that will strengthen community connectivity

## OUR VALUES & GOALS

- TEAMWORK
- INTEGRITY
- COMMITMENT

Access to Medical Care

Access to Healthy Food

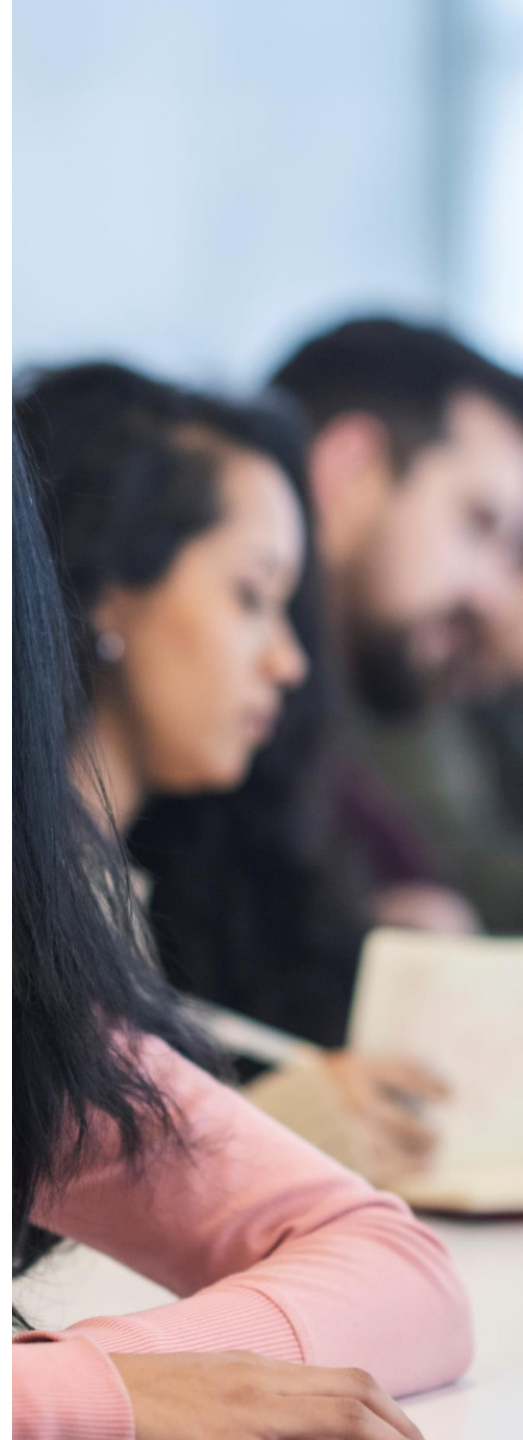

Coordination & Efficiency

# Grants & Partnerships

---
